President’s Letter

Happy Early Spring,

I have lost track of time this month. This issue does not include a member spot-light nor vendor spot light. I did not ask any one in time to put together one for us- I apologize for this. Recently the City of Chicago’s water department unexpectedly lost it’s Chief Plumbing Inspector and as well as its Assistant Chief Plumbing Inspector – two wonderful men dying within 70 days of each other. I have been acting-up as Assistant Chief Plumbing Inspector for the last 3 months, and recently have had some of the Chief responsibilities added as well. With the shock of the loss wearing off - I should be back on track in April.

Please be sure to check out the latest issue of ASSE International Working Pressure Electronic Magazine. (www.workingpressuremag.com). This month’s issue includes the Illinois Plumbing Code updates and the ASSE’s fifth scald awareness white paper. 2019 ASSE International Mid-Year meeting is this Tuesday, April 2nd and April 3rd. For more information and the schedule for each day go to www.ASSE-plumbing.org then go to meetings on the home page. I attended one day’s meetings last year, it was very inserting and was nice to see few fellow Illinois chapter members in attendance.

For Plumbers that live in Chicago, please take time on Tuesday April 2nd to vote for Mayor and City Treasurer. Check your local government web-site for any upcoming elections in your town / city.

I thank for your time and wisdom you share with me.

Fraternally yours,

Denis Riordan ASSE Illinois Chapter President
50% off new Active member dues!

As a member of ASSE International, you will belong to an organization represented by all disciplines of the plumbing and mechanical industries, forming a platform to receive, understand and solve industry problems relating to standards, codes, contracting, engineering and business. We encourage you to attend local chapter meetings, as well as our national Annual Meetings, get involved in chapter activities and apply for national committee work.

Whether it's through planning or participating in local chapter activities and meetings, submitting articles to our publications, or volunteering on a committee, your involvement is essential to ASSE International's success. Now is the time to immerse yourself in your organization.

A few privileges you will enjoy as an ASSE International member:

- Networking and educational opportunities within our industry
- Free subscription to ASSE International publications
  - Working Pressure magazine and ASSE International eNewsletter
- Discounts on publications published by ASSE International (25% off) and select discounts from other reciprocating organizations
- Voting rights at Annual Meetings
- Participation on national committees
- Eligibility for ASSE International Awards
- Eligibility for family member scholarships through the ASSE Scholarship Fund, an Ohio Nonprofit Corporation.

Please read carefully, fill in all applicable sections and indicate the membership classification for which you are applying. Government applicants must provide proof of employment to be eligible. Please see reverse side for membership classification descriptions, chapters and dues rates. You may also join online at www.assewebstore.com/membership.

CLASSIFICATION:  □ ACTIVE  □ STUDENT  □ GOVERNMENT  □ SUSTAINING

MEMBERSHIP CLASSIFICATION DESCRIPTIONS

Active:
Individuals who are active in a plumbing, mechanical or engineering related field.

* Half price new membership only applies to those who are not current or past members of ASSE International. *

Student:
- Registered apprentices in an apprenticeship program duly recognized by state, federal or local laws governing apprenticeship.
- Full time students enrolled in a school, university or college course in either plumbing, plumbing design or engineering.

**There is a maximum time limit of five years for membership as a student.**

Government:
Individuals employed by local, county, state or federal agencies involved in regulating the plumbing and mechanical field. Government employees may join ASSE International with the same privileges of an Active member. To qualify, members may be required to submit written documentation confirming that they are actively employed by a government entity (i.e.: letter from government entity on letterhead, copy of government identification/license, etc.)

Sustaining
Manufacturers of plumbing products and appliances, or others who are affiliated with the plumbing and mechanical field and desire to support the work of the organization. One member or representative of such membership will have privileges of an Active member.

ASSE INTERNATIONAL CHAPTERS AND DUES
Pricing below represents first-year member pricing (50% off new Active member dues). Full rates apply after first year of membership.

A TRUSTED GLOBAL LEADER IN DIGITAL HOT WATER INNOVATION

The Armstrong Brain® is the world's first digital recirculating valve!

- Engineered exclusively for recirculating hot-water systems
- Simplifies your hot water system by eliminating the need for compensating system components required with a mechanical thermostatic mixing valve
- Delivers temperature control within 2 degrees
- Communicates with most building automation systems
- Available with Programmable Temperature Alerts
- Also available with a Thermal Disinfection Program
