50% off new Active member dues!

As a member of ASSE International, you will belong to an organization represented by all disciplines of the plumbing and mechanical industries, forming a platform to receive, understand and solve industry problems relating to standards, codes, contracting, engineering and business. We encourage you to attend local chapter meetings, as well as our national Annual Meetings, get involved in chapter activities and apply for national committee work.

Whether it's through planning or participating in local chapter activities and meetings, submitting articles to our publications, or volunteering on a committee, your involvement is essential to ASSE International's success. Now is the time to immerse yourself in your organization.

A few privileges you will enjoy as an ASSE International member:

- Networking and educational opportunities within our industry
- Free subscription to ASSE International publications
  - Working Pressure magazine and ASSE International eNewsletter
- Discounts on publications published by ASSE International (25% off) and select discounts from other reciprocating organizations
- Voting rights at Annual Meetings
- Participation on national committees
- Eligibility for ASSE International Awards
- Eligibility for family member scholarships through the ASSE Scholarship Fund, an Ohio Nonprofit Corporation.

Please read carefully, fill in all applicable sections and indicate the membership classification for which you are applying. Government applicants must provide proof of employment to be eligible. Please see reverse side for membership classification descriptions, chapters and dues rates. You may also join online at www.assewebstore.com/membership.
