Pat Flader              Gary Howard
Vince England           John Khym
Happy Holidays Day All,

I hope everyone had an enjoyable Thanksgiving and a very Merry Christmas! I wish everyone a safe and prosperous New Year.

This is the December newsletter for the Illinois Chapter please see pictures that were taken by the officers at the Annual Product Show on November 13th on the following pages. A big thank you to Brian and all of our vendors. We had a great turn out - about 400 attendees. As always, this could not have been the successes it was, without the help of all of the Board members help, to them I say Thank you!

As I write the newsletter I have been informed by E-Mail from Gary Howard(see next page) he has withdrawing his name from the President nominee. We will need a new nominee for president.

I have fulfilled my two years has president and it has been my honor, and I could not do this without the guidance of Mike Scherer and the other board members.

I Thank you all.

There will be a general membership meeting in January at Chicago fire and water restoration.
More information will follow in the coming days

Fraternally Yours,
Denis Riordan
ASSE Illinois Chapter President

Dec 4 at 5:55 PM

Dennis, I am sorry to inform you of this but I will not be able to be the next President of ASSE Chicago.

Again I am really sorry.

Gary

## Membership Application

**50% off new Active member dues!**

As a member of ASSE International, you will belong to an organization represented by all disciplines of the plumbing and mechanical industries, forming a platform to receive, understand and solve industry problems relating to standards, codes, contracting, engineering and business. We encourage you to attend local chapter meetings, as well as our national Annual Meetings, get involved in chapter activities and apply for national committee work.

Whether it’s through planning or participating in local chapter activities and meetings, submitting articles to our publications, or volunteering on a committee, your involvement is essential to ASSE International’s success. Now is the time to immerse yourself in your organization.

**A few privileges you will enjoy as an ASSE International member:**

- Networking and educational opportunities within our industry
- Free subscription to ASSE International publications
  - Working Pressure magazine and ASSE International eNewsletter
- Discounts on publications published by ASSE International (25% off) and select discounts from other reciprocating organizations
- Voting rights at Annual Meetings
- Participation on national committees
- Eligibility for ASSE International Awards
- Eligibility for family member scholarships through the ASSE Scholarship Fund, an Ohio Nonprofit Corporation.

---

Please read carefully, fill in all applicable sections and indicate the membership classification for which you are applying. Government applicants must provide proof of employment to be eligible. Please see reverse side for membership classification descriptions, chapters and dues rates. **You may also join online at www.assewebstore.com/membership.**

MEMBERSHIP CLASSIFICATION DESCRIPTIONS

Active:
Individuals who are active in a plumbing, mechanical or engineering related field.

* Half price new membership only applies to those who are not current or past members of ASSE International. *

Student:
- Registered apprentices in an apprenticeship program duly recognized by state, federal or local laws governing apprenticeship.
- Full time students enrolled in a school, university or college course in either plumbing, plumbing design or engineering.

**There is a maximum time limit of five years for membership as a student.**

Government:
Individuals employed by local, county, state or federal agencies involved in regulating the plumbing and mechanical field. Government employees may join ASSE International with the same privileges of an Active member. To qualify, members may be required to submit written documentation confirming that they are actively employed by a government entity (i.e.: letter from government entity on letterhead, copy of government identification/license, etc.)

Sustaining
Manufacturers of plumbing products and appliances, or others who are affiliated with the plumbing and mechanical field and desire to support the work of the organization. One member or representative of such membership will have privileges of an Active member.
