I would like to thank all of the board members that has assisted me over the last two years, I’ve could not have done this without all of your help. I would like to thank all of our advertisers for their participation with our newsletters and product show, thank you to Jim Coyne and Plumbers 130 for all of their support. I have to thank my wife for all of her help in getting the newsletter out and looking professional, Thank you Kathleen.

It has been my Pleasure to be your President of the Illinois Chapter of the ASSE International. I know Gary Howard will be a great President with his long history of being a Plumbing Inspector and for his comments to the ASSE International by serving on the many different boards he serving on.

On the next page is from the ASSE e newsletter about the up coming Mid-Year Meeting at Plumbers Local 103 Training Center. I copied pasted out of my e-mail (so the links may not work). See the special offer to the Illinois Chapter Members to attend this Meeting. If you can make just one day that will be great. If you never attended any of the past meeting in Mokena It’s a good networking opportunity to meet other members from around the country, and to get involved.

Fraternally yours

Denis Riordan.
The **2020 ASSE International Mid-Year Meeting** will be held **April 14-15** at **Plumbers Local 130 Training Center** in **Chicago**. The Mid-Year Meeting is a gathering of expert individuals who influence ASSE standards, certifications, membership, and code development. Whether you’re a manufacturer, training provider, engineer, contractor, or general member, there are several meetings that will help you get a full perspective of ASSE’s program development.

Members of committees that are meeting and ASSE Board members do not need to register or pay. For non-committee members: Registration is $60 for one day, or $100 for both days. Lunch is included with registration. Click [HERE](#) to register.

A block of rooms at the Hampton Inn Chicago Downtown West Loop (116 N Jefferson, Chicago, IL 60661) have been reserved for April 13-17, 2020. Click [HERE](#) to access our group’s personalized reservation page, where you can make reservations for April 13-17, 2020.

---

☐ BACKFLOW REPAIR COURSE $85
   This course is focused on refreshing the Cross Connection Tester on testing procedures as well as hands on repairs for approved assemblies for the state of Illinois. During this class we will be going over our NEW mechanical wall, show you how water pressure fluctuations affect backflow assemblies, how to remedy the situation and be able to see it in a live setting. Also new this year is the Flood Control Integrated System by Wilkins; this system can be designed to shut off a specific water line when a backflow goes into a full dump situation.
