

ASSE International

13000 Service Plumber Technical Committee Agenda

Wednesday, April 16, 2025

8:00am - 8:45am Full Committee

9:00am - 10:30am Closed Session

Purpose of this committee is:

Technical Committees are advisory committees that provide technical guidance to the various ASSE professional certification programs. Each committee is made up of subject matter experts from the industries served by that certification program. They review and approve the program guidelines, exam questions, practical exams and equivalent certifications. They may also include subcommittees to review and approve applications for training providers, instructors and proctors.
