

ASSE International

NFPA Sub-Committee

Meeting Agenda

Friday, September 19, 2025

8:45am – 9:45am

The NFPA/ASSE sub-committee is advisory to the CDC and to the ASSE Board of Directors. The committee's purpose is to develop new code language, review and respond to proposed changes to the NFPA Code/Standards, provide a venue for public/membership interaction, and to provide a member benefit by communicating all NFPA information and updates that involve ASSE standards or affect ASSE International. The committee makes recommendations to the ASSE CDC and Board regarding ASSE International's position on the previous stated purposes. The committee members shall remain impartial and act in the best interest of ASSE International. Committee members may not represent ASSE without prior approval of the IAPMO CEO or designee(s). This process is outside of the scope of ASSE's ANSI and SCC certifications.
