

ASSE International

Service Plumber (13000) Technical Committee

Meeting Agenda

Friday, September 19, 2025

8:00am - 8:30am (Full Committee)

Technical Committees are advisory committees that provide technical guidance to the various ASSE professional certification programs. Each committee is made up of subject matter experts from the industries served by that certification program. They review and approve the program guidelines, exam questions, practical exams and equivalent certifications. They may also include subcommittees to review and approve applications for training providers, instructors and proctors.

Committee Members: Doug Marian (chair), Brannon Baxter, Donald (DJ) Berger, Thomas Bigley, Joe Fernandez, Vince Gallo, Ron George, Othon Guillen, Kevin McDonough, Brian Peabody, Adam Skalko, Donald Summers, Tim Wheeler, John Yock, Jason Shank, Scott Hamilton
